**Subject: Implementation of Adequate Sewage Disposal System**

**Subject: Confirmation of Adequate Sewage Disposal System**

We are pleased to inform all students, faculty, and staff that **Harivandana College, Rajkot, has an adequate sewage disposal system in place.** The college administration has ensured that proper sewage management facilities are maintained for a clean and hygienic campus environment.

The following measures are actively implemented:

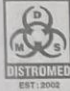

1. Regular maintenance and cleaning of drainage lines to prevent blockages.
2. Functioning sewage treatment facilities for proper waste management.
3. Implementation of eco-friendly waste disposal techniques.
4. Awareness programs for students and staff on proper waste disposal methods.
5. Regular inspections and monitoring to ensure compliance with health and safety standards.

We assure all stakeholders that the college remains committed to maintaining high sanitation and hygiene standards. For any queries or suggestions, please contact the administration office.
